

This factsheet gives an overview of the DC investment funds' performance against their benchmarks over three months, one and three years.

These figures have been calculated using actual returns since the introduction of the current DC fund range. Fund performance figures are based on a single period (i.e. no bid/offer spread), gross income reinvested and gross fees. The figures are only approximate.

N/A\*\* The benchmark for the Diversified Asset Fund contains the Retail Prices Index which is not available until around Business Day 12 after month end.

N/A\*\*\* The benchmark return for the Property Fund is not yet available - as we rely on this data being provided to us by an external vendor, we may not expect to receive it until up to Business Day 30 after the Quarter end.

Past performance isn't a guide to future performance. The information in this factsheet shouldn't be relied on when you're making investment decisions. The Investment Guide "Your DC pension pot - your investment choice" and the DC fund factsheets give you details of all the investment funds and their managers - these can be found in the information centre at [www.futurefocus.staff.hsbc.co.uk](http://www.futurefocus.staff.hsbc.co.uk). Your choice should reflect your personal circumstances, such as your age and how long you have until you retire. It will also depend on your attitude to the different types of risk and your views on investments generally.
